Support for Students on Quarantine

School Name: **GALLATIN HIGH SCHOOL**

Initial Quarantine Contact

I just received the call that my child needs to quarantine. What's next?

Check your student's Google Classroom for up-to-date assignments and learning resources. Please communicate directly with your student's teacher(s) by email and/or give 24 hours before checking Google Classroom for new assignments.

To email your child's teacher, use this link. It is a directory by subject area.
<https://ghs.sumnerschools.org/index.php/directory>

How will students get needed materials for at-home learning?

The majority of at-home materials will be provided through Google Classroom. If you do not have access to the Internet or the appropriate technology, please contact your school for guidance on when to pick up student assignments.

Learning While on Quarantine

How will my student learn while on quarantine?

Depending on the accessibility to the Internet in the home, lessons and work can be accessed through Google Classroom, email with teachers, and/or paper copies of assignments picked up from the school. All of this needs to be coordinated with the classroom teachers for what is the best option in each situation.

Attendance, Student Work, Grades

How is attendance taken during quarantine?

Students are marked present while on quarantine **IF** they complete their work.

How do I submit my student's work?

Depending on how they are completing their work will lead to how it is submitted. If working on Google Classroom, then they submit it through that. If not utilizing Google Classroom, then it can be emailed to the teacher or turned in upon their return to class/school.

How will my student receive grades on assignments?

Once work is completed and submitted, grades will be posted on Skyward through the teachers' gradebooks in the usual manner.

**Support for
Parents**

How do I help my child learn? What resources are available to help?

Please visit the Sumner Connect Parent Page.

- How to access Google Classroom
- Google Classroom Resources

[How to use the Google Tools](#)

[How to access the Sumner Connect Lesson Library](#)

- The Sumner Connect Lesson Library is a collection of filmed lessons by our Sumner County teachers.
 - The lessons include reading and math lessons for kindergarten through 8th grade.
 - These lessons follow the district curriculum and instructional pacing guides.
 - The library also includes lessons for English 9, Algebra 1, and Geometry.

Use of email or Google Classroom to maintain contact and communication with the student's teacher(s)

School Contacts

Who do I contact if I have a question?

If communicating through email with the student's teacher(s) is not an option or is not productive in obtaining assignments, contacting your student's guidance counselor or assistant principal is the next step. If needed, the main office staff can help connect you with the right person.
