Allergies: _____

Child's Limitation or Special Considerations: _____

It is understood that any medication is administered solely at the request of and as an accommodation to the undersigned parent or guardian. I understand that I am responsible for furnishing all medications. The school nurse has permission to communicate with the healthcare provider regarding this medication and plan of care including, but not limited to, orders, clarification of orders, etc. I understand that the health care provider may disclose protected health information in consultation with the school nurses. All information obtained will remain confidential and be available on a need-to-know basis to those individuals who are involved in providing for your child's health and educational needs at school. In consideration of the acceptance of the request to perform this service by any person employed by the Sumner County School System, the undersigned parent or guardian hereby understands and agrees that the Sumner County School System and its personnel shall not be liable for any injury resulting from the reasonable and prudent administration of medication or the reasonable performance of health care procedures, including the administration of medication (T.C.A. § 49-5-415). By signing, parent indicates agreement with the plan of action as described by health care provider.

- Student information was requested from the parent with no response. This IHP was developed from the school nurse without input from the parents.

Name of Child: _____ DOB: _____

ASTHMA RISK: Mild _____ Moderate _____ Severe _____

Protocol/Procedure for student having an asthma attack:

1. Encourage student to remain calm, take slow, deep breaths, and sit upright.
2. Allow student to administer prescribed asthma medication (if available).
3. Stay with student and monitor response.
 - If symptoms decrease within 15 minutes and student is relieved, he/she may return to class.
 - If symptoms persist after 15 minutes contact SET/School Nurse, call parent AND **PROCEED TO EMERGENCY ACTION PLAN BELOW.**

EMERGENCY ACTION PLAN

1. If in doubt, activate EMS/Call 911.
2. Stay with student and continue to monitor breathing and general condition.
3. Allow student to take additional prescribed, rescue medications or doses as ordered (if available).
4. SET/School Nurse will assess student, utilize pulse oximeter and provide Oxygen support as needed (when available).
