Welcome to Gallatin High School for the 2020-2021 school year! I want to extend a special welcome to our freshman class and to our new teachers and staff. The beginning of a new school year can be an exciting time, but it can also be one of some anxiety because of the unknown. I am confident, though, that you'll find our school to be a welcoming place with many opportunities if you will allow yourselves to be open and receptive to them. Don't hesitate to ask any of our veteran teachers, staff, or upperclassmen for any information that you need.

To those of you returning to GHS, I extend a big Green Wave greeting to you! To our parents and guardians, I extend good wishes to you also. As you know, the success of your child both academically and socially depends heavily on your involvement. Please read this handbook to learn what is expected of your child and to learn what we can offer him/her. It is extremely important that you know your child's assistant principal and guidance counselor. Additionally, I encourage you to be sure that you learn the dates that report cards are sent home, the names and email addresses of your child's teachers, and the rules/requirements given to your child from each of his/her teachers.

Gallatin High School is truly rich in traditions of excellence in academics, in the arts, in athletics, and in our career and technical offerings; however, we still have many areas that need improvement to meet the standards set forth at GHS. I personally accept the challenge not only to maintain our standard of excellence, but also to achieve that excellence in every aspect of our school. I want to extend that challenge to every student, teacher, and parent so that Gallatin High School can continue to thrive.

As we strive for excellence, it is important to foster a partnership with home, community, and the school so we can better prepare our students for college and today's workforce expectations. This combined support will provide our students with additional opportunities, guidance, and encouragement to assist them in achieving their goals and reaching a higher level of success. The faculty of GHS eagerly looks forward to working with each of you and anticipates a great 20-21 school year!

Sincerely,

Ron Becker, Ed.D.
Principal

ALCOHOL AND DRUG USE

Drugs and alcoholic beverages are not permitted under any condition. This policy covers any school sponsored or school related activity.

ALCOHOL - Possession or use of alcoholic beverages on school property is illegal. Any student who unlawfully uses, possesses, sells, or otherwise furnishes alcoholic beverages while on school grounds or during an activity off school grounds related to school attendance will be referred to the school principal for administrative action and/or law enforcement officials.

DEFINITION OF TERMS:

1. Alcoholic beverage includes alcohol, spirits, liquor, wine, beer, and every liquid or solid containing alcohol, spirits, wine or beer, and which is fit for beverage purposes either alone or when diluted, mixed or combined with other substances.
2. Use shall mean either the drinking of alcoholic beverages or the indication by action or behavior that such beverages have been consumed.

ATTENDANCE POLICY - SECONDARY SCHOOLS GRADES 9-12

Please understand this policy is subject to change based on COVID-19 guidelines, recommendations, and considerations.

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement: therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

The Compulsory School Attendance Law in Tennessee requires children to attend school each day. A student who has been absent five days (this means a total of five days during the school year, **not per semester** and not necessarily five consecutive days) without adequate excuse is considered truant and may be summoned to court. Whenever possible, attendance issues should be resolved at the school level. Prior to referral to a truancy officer, a meeting shall be held at the school to assist the family and improve student attendance. If unexcused absences continue to accumulate, the Director of Schools or his/her designee will report the parent and student to the Juvenile Court for further action.

Students with eight or more unexcused absences and or ten or more unexcused tardies lose the privilege of attending extracurricular events. These include but are not limited to the following: prom, athletic events as a spectator or participant, competitions, conferences, field trips, plays, concerts, pep rallies, etc. *Out of school suspension is classified as an unexcused absence.*

The following are official/adequate excuses that should be turned in to the attendance secretary immediately on returning to school office:

- Medical note for the student (doctor, dentist, hospital, etc.)
- Student illness not requiring a doctor visit (five parent notes per semester)
- Court note for the student
- Funeral notice
- Recognized religious holiday
- College Visits

- Military deployment paperwork for parent

A principal may verify absences for the following:

- Approved school activity that is school sponsored and school supervised
- Extenuating circumstances on a case-by-case basis

Tardiness: Any student not in the classroom when the class begins is tardy. Students arriving late to school will sign in at the office Kiosk. Students signing in tardy to school for a third time will receive detention. Continued tardiness will result in additional discipline. Students with excessive unexcused tardiness will be considered truant and subject to being reported to Juvenile Court.

Make-up work: Upon the first day of returning to school, it is the student's responsibility in high school to contact the teachers regarding make-up work. During the school year, make-up work must be completed within a number of days equal to the number of consecutive days of the absence.

AUTOMOBILES / PARKING LOT

Parking on the Gallatin High School campus is a privilege. Students are not to loiter or linger in their automobile after they arrive on campus. *If books or other personal items must be secured from a student's car, permission must be obtained from an administrator.*

The designated zone in front of the building is to be left open for emergency situations. The parking area in the back of the building has been reserved for teachers and for school buses. All cars must have a parking hangtag to legally park on campus. The cost to purchase a hangtag is \$5.00. Students failing to display a parking tag or who fail to comply with the following conditions will be subject to a fine and/or loss of driving privileges. A student violating the above rules, driving in a reckless manner, or causing an accident may have his or her driving privileges revoked and is subject to discipline by a school administrator and/or law enforcement official. Any student who is not parked in a student-designated area or is not in compliance with the school's parking regulations is subject to being towed at the expense of the owner.

Leaving campus in an automobile or motorcycle without permission from an administrator and signing out will result in 2 days of ISS for the **first offense**; the **second offense** will result in the loss of driving privileges for the remainder of the term in addition to 2 days OSS.

DRIVER'S LICENSE CERTIFICATION PROCEDURES

Driver's license and/or learner's permit for the operation of a motor vehicle for any person under the age of eighteen will be denied unless the student has written certification from school officials. The certification may be obtained from the attendance clerk (Ms. Baker) during normal school hours by students who meet the compulsory school attendance policy and make a passing grade in at least three (3) classes at the conclusion of the most recent term. Certification forms must be shown to the

DEPARTMENT OF SAFETY EXAMINER before a student can take the drivers exam. *A certificate of withdrawal of a student's driving permit will be sent to the Department of Safety whenever he/she has excessive unexcused absences and/or failing grades.*

BREAK

Break is to serve as a time of leisure and an opportunity to use the restroom for our teachers and students. Horseplay or loud behavior will not be tolerated. There are two (7) minute breaks between 1st and 2nd block classes and two (7) minute transitions before and after Skinny block. The labs and the Juliette Doyle Guthrie Theatre will be closed during break. However, halls, lobbies, and the library will remain open. Going to the parking lot during break without permission from an administrator will result in 1 day of ISS.

CELLPHONES/MEDIA DEVICES

Any student who brings their own devices to school is subject to a reasonable search if suspicion arises that the device contains evidence of a violation of school policy or of a legal infraction. In accordance with school board policy, students may possess personal communication devices, such as cell phones, while on school property. However, the personal communication device must be in the off mode and must be kept in a backpack, purse, or similar personal carry-all and may not be used during school hours. The teacher/administrator may grant a student permission to use a personal communication device at his/her discretion for educational purposes within a classroom setting. A device used outside of these parameters shall result in the following consequences: **1st offense:** Phone will be turned in to main office and may be picked up by the student the following school day at 3:15 pm. **2nd offense:** Phone will be turned in to the main office. The student will receive 1 hour of detention (2 sessions). The student may pick up the phone at 3:15 the day after the consequence is served. **3rd offense:** Phone will be turned in to main office. The student will receive 1 day of ISS. The student may pick up the phone at 3:15 the day after the consequence is served. **4th and subsequent offenses:** Phone will be turned in to main office. Student will be assigned 1day OSS. The phone will be held the remainder of the semester. A student who is in violation of the cell phone policy and refuses to turn over his/her cell phone to a teacher will receive a minimum of 2 days ISS. Refusing to turn over cell phone to an administrator will result in a minimum 3 days OSS.

Students may use cell phones during their lunch period while they are seated at the cafeteria tables. Students may not make calls, take pictures/videos, post on social media, play music, or listen to earbuds during this time.

Cell phones and earbuds are not allowed between the hours of 8:05 and 3:15 during hallway transitions. If students violate the earbud/cell phone policy, earbuds/cell phones will be collected, and students can pick them up at the end of the day in the main office. Repeat offenders may receive additional consequences.

Use of cameras on personal communication devices is strictly prohibited on school property or at school functions, including restrooms or locker areas. A student in violation of this policy is subject to disciplinary action by the school and/or law enforcement officials. Students may carry cellular telephones while participating in off campus activities, such as field trips, if specifically authorized by the teacher. Principals

may authorize the use of personal cellular telephones in the event of an emergency or serious situation.

**At the conclusion of the academic school year, any cell phone that has not been picked up by the student or parent will be discarded at the school's discretion.*

CHARACTER EDUCATION

Students are expected to demonstrate high values and character while attending Gallatin High School. Theft, cheating, lying, forgery, plagiarism, etc. will not be tolerated. Appropriate disciplinary action will be taken for these violations.

CONDUCT ON BUSES

Transportation to and from school on buses operated by the county is a privilege. It requires that students conduct themselves properly, always obeying the instructions of the bus driver. "A student shall become ineligible for pupil transportation when his/her behavior is such as to cause dissension on the bus, or when he/she disobeys state or local rules and regulations pertaining to pupil transportation." *A student who needs permission to ride the bus with another student must turn in a note from a parent with a valid phone number to the main office prior to the start of 2nd block class.*

Note, one session of detention is considered 30 minutes.

FIGHTING POLICY

Gallatin High School believes that harmonious relations can be developed among all students. GHS promotes positive ways of handling disagreements with other students. These positive ways include talking out the problem with the other student(s), a counselor, an administrator, a teacher, or a parent.

Students who choose to resort to violence to solve problems with other students will be dealt with in a severe manner. The school will not tolerate fighting. The danger to the students involved and to other students is too great to permit this type of behavior.

Consequences for fighting range from 3 – 10 days OSS. The following procedures will be followed if students are cooperative with the school administration:

1. If deemed necessary, the police will be involved.
2. Students involved will have the opportunity to explain what happened.
3. The student who is deemed by the principal to be the cause of the fight will be punished severely.
4. The student who is deemed the lesser cause will be punished in proportion to his/her involvement in the fight. Students are expected to walk away and/or seek help when possible.
5. In the event that a student is involved in another fight at GHS, the student will be suspended, and his/her parents will be requested to come to school for a conference with a school administrator.
6. Students involved in large numbers of verbal, physical, or written conflicts will not be tolerated at Gallatin High School. Upon a **10**-day suspension, the student will be referred to the Sumner County Disciplinary Committee to discuss a change of placement.

*Gallatin High School believes that the educational process cannot be disrupted by negative behavior. The school is for all students. The school encourages the development of a positive atmosphere where learning can take place. The GHS administration reserves the right to review each individual situation before determining whether any disciplinary action is required. **HELP US PROVIDE OUR SCHOOL WITH THE BEST POSSIBLE ATMOSPHERE FOR LEARNING TO TAKE PLACE.***

GRADES/GPA

Grades will be reported officially to parents and students after each nine weeks of instruction. In courses with a state-mandated end-of-course (EOC) examination, the weight of the end-of-course examination will be 20%. Term grades will be determined by numerical value being converted to a letter grade. To achieve credit for graduation, students must achieve a passing score for the course average in accordance with the State Board of Education’s uniform grading policy. The Tennessee State Board of Education has adopted this uniform grading policy for all Tennessee schools:

Grade	Scale	% Range	Weighting for Honors Courses	Weighting for AP Courses
			A 4.0	93-100
B	3.0	85-92	Addition of 3% points to the semester average	
C	2.0	75-84	Addition of 5% points to the semester average	
D	1.0	70-74		
F	0.0	0-69		

Academic Recognition/GPA for Students Entering High School Students will be eligible to graduate with academic recognition by achieving the following:

4 Tiers of Recognition

	Cume. GPA Min.	Honors/AP Courses
<u>With highest recognition</u>	<u>3.90</u>	<u>18</u>
<u>With high recognition</u>	<u>3.70</u>	<u>16</u>
<u>With notable recognition</u>	<u>3.50</u>	<u>14</u>
<u>With recognition</u>	<u>3.50</u>	<u>Less than 14</u>

This academic recognition plan includes *all* courses attempted by students for all 8 terms of the high school career. The GPA is based on a four-point scale with internal weighting only (3 points on the final numerical grade for an honors course and 5 points on the final numerical grade for an Advanced Placement course). **Rank by number will be assigned only to valedictorian and salutatorian.** Students other than valedictorian and salutatorian will be recognized only by the tier in which they fall (not by a specific number).

GRADUATION CEREMONY

No student will be permitted to participate in the graduation ceremony until all requirements for graduation have been satisfactorily completed both academically and behaviorally. (On and off campus) Participation in the ceremony is a privilege but not mandatory.

It will be the responsibility of any student who completes requirements for graduation at the end of the summer term to notify the principal of his/her school who will requisition a diploma. These students are not eligible to participate in any graduation ceremony and/or activity.

CLASSWORK/HOMEWORK GRADING POLICY

HOMEWORK

Homework will be given at teacher discretion. Any graded item must be a reflection of actual student work toward mastery of a standard. Therefore, grades that simply measure compliance or similar items will not be allowed. Any classwork or homework that is turned in by the unit assessment will receive full credit. With the exception of make-up work from absences, no credit will be given for any homework or classwork after the unit assessment has been given. Homework assigned during an OSS may be completed, but credit will not be awarded. Request for homework assignments (during an extended absence) needs to be made through the front office.

ZEROS

Students who do not turn in assignments or do not make up an assignment from an absence will receive a zero. Students who miss all questions on an assignment, with no

credible academic reason, will receive a zero. During the first half of any class (first nine weeks of an 18-week class or the first 4.5 weeks of a nine-week class), if a student has credibly attempted every assignment then the student will receive a minimum of 50% of every assignment's total value before grades are posted.

MAKE-UP WORK

Students should maintain an active role in their progress in class. If they are absent, they should contact the teacher immediately upon their return to receive any missing assignments/directions for the class period(s) they missed. Make-up work should be completed in a timely manner in order for the student to have the best opportunity for success on the missing assignments. The student and teacher will determine a deadline that is appropriate for the completion of the missed assignments based on the number of days missed and/or circumstances surrounding the absence(s). Any assignments given PRIOR to the date of the absence and taken up ON the date the absence occurred should be turned in upon the student's return to class.

RE-DO ASSIGNMENTS

Teachers may elect to reteach and retest at their discretion, either for groups of students, as a whole class, or with certain standards, questions, or concepts and amend grades as necessary. Teachers should also use the Enrichment Tutoring services in place to help struggling students catch up. The resubmission of an assessment will be considered only if a student makes an additional academic effort outside of normal class time. This will only be available to students who have earned less than 70% on the assessment. The maximum grade a student can receive on resubmission of an assessment will be 70%.

EXTRA CREDIT

Extra credit may be offered to a class as a whole, not to individual students. Extra credit should be limited to standards-based concepts and should not be tied to financial responsibilities on the part of the student. The number of extra credit points offered may not exceed 5% of the total points for the course; therefore, students should not expect extra credit in place of doing assigned work.

HALL PASSES

Students are to use the restroom and go to lockers during class changes. Hall passes issued during a class period are at the teachers' discretion. The hall pass must have the date, time, and destination documented and signed by the teacher. Students who are found without hall passes will be escorted back to class. Hallways should remain empty and quiet during class time to minimize disruptions. All hallways and classrooms are off-limits during assigned lunch periods.

HARASSING / INTIMIDATION POLICY

Students caught hazing, harassing, or involved in any intimidation of another student will be dealt with accordingly. Each older student is expected to assist new and younger students in a helpful and friendly manner.

HARRASSMENT / SEXUAL HARASSMENT

Any harassment towards any student or teacher will result in stern disciplinary action. Any incident of harassment should be reported at once to one of the assistant principals. The nature of the punishment will be determined by the severity of the harassment.

LIBRARY

The library is not a place to gather for socializing; a quiet atmosphere will be maintained at all times. A hall pass is mandatory for each student using the library before school and during third block. All library books are to be returned to the book depository located at the back of the library. Computers are available for word processing. Use of the Internet is for appropriate educational research only. Students and parents are required to sign a Sumner County Schools Internet Use Permission Form. Students using the Internet are advised to follow the written procedures posted near all computers. Students who violate the procedures will be dealt with by the administration and will lose access to the Internet and/or library. *The library will be open Monday-Friday 7:30am-3:15pm.*

LOCKERS

Students who request a locker are assigned a specific locker and combination and are not to share with other students. Students are expected to use this same locker throughout the school year. ***Students should never place valuables in an unlocked locker.*** Lockers are school property and subject to searches.

OUTSTANDING DEBT

Students having outstanding debts at the time of graduation will not receive their diplomas nor will their transcripts be released until all debts are cleared. Any students leaving Gallatin High School prior to graduation must clear their debts before final records will be sent to a new school.

MEDICINE

ALL medicines (prescription and non-prescription) must be in original containers and kept in a designated area. All students must have prescription and non-prescription forms completed before the school can administer medication to the student. Please see the Sumner County Schools "Guidelines for Dispensing Medications" form for further information.

OFF LIMITS AREAS

Students are not to be outside the building, or in the parking lots without permission from an administrator. **Students are to remain in the cafeteria during lunch.** Students should remain in the assigned areas at all times. Students will receive **1 day ISS** on the **1st offense**, **2 days of ISS** on the **2nd offense** and **3 days of ISS** on each of the **3rd and subsequent offenses**.

OTHER

Policies outlined in this handbook pertain not only to the school day but also to all school-related functions and trips. Problems or matters not listed in this handbook will be handled in a manner that the administration and faculty deem appropriate.

RELEASE OF STUDENTS DURING SCHOOL HOURS

During the school day, ALL students are expected to remain in the school building from the time they arrive on school grounds until the end of school in the afternoon. Students are not permitted to leave campus during the school day unless they have obtained permission from their parents/guardians and approval from a school administrator. Requests should not be made for early dismissal unless they are absolutely necessary. All requests should be made in writing, signed and dated by the parent/guardian with a phone number where they can be reached. **Notes must be submitted to the Attendance Window before 8:10 a.m.** The request will then be verified by phone before a dismissal slip will be granted. Once a student has obtained a dismissal slip, he/she must sign out in the office at the designated time of dismissal. Students found guilty of forging parent's or guardian's signatures will be subject to disciplinary action.

PLEASE NOTE THE FOLLOWING PROCEDURES/RULES CONCERNING CHECK-IN AND CHECK-OUT:

- Any student leaving school without getting permission from the attendance clerk AND signing out properly will be considered skipping.
- Students who frequently check out during 4th block without a verified excuse will receive the following: on the 3rd time = two sessions of Detention; on the 6th time = 1 day of ISS; and on the 9th occurrence and each subsequent time = 2 days ISS.
- If a student returns to school after having checked out, he/she must sign in.
- STUDENTS ARE NOT TO CHECK OUT IN ORDER TO LEAVE CAMPUS FOR LUNCH.
- NO LUNCHES ARE TO BE DELIVERED TO THE SCHOOL. It will be held and returned at the end of the school day.

RESPECT FOR THE RIGHTS OF OTHERS

Every right you have is attached to an obligation. Your rights must be balanced against the rights of others and their rights must be balanced against yours. That is why our society has laws and why a school has rules. If you are one of those students who wants to take full advantage of your rights and opportunities at this school, while at the same time respecting the rights of others, we at Gallatin High School will support and help you.

RESPONSIBILITY FOR YOUR OWN ACTIONS

You will be held responsible for only the things YOU do or fail to do. What others do or do not do is of little importance in determining whether or not you have accepted your responsibility as a student/citizen of Gallatin High School. Your first responsibility is to decide how you should conduct yourself while you are at school. Your second responsibility is to be prepared to accept the privileges and consequences of your actions.

RESTROOMS

Students are expected to help keep restrooms clean, safe, graffiti free, and smoke-free. Only one person at a time is allowed in a stall. Restrooms generally should not be used when classes are in session. Students are to use the restroom that has been assigned to that area. **When an emergency arises that necessitates a student leaving class, a hall pass is required.**

RETURNING FROM AN ABSENCE

Students are required to bring proper documentation upon arriving at school after an absence or after having left school early. After two school days of returning to school, if a note has not been turned in to the office, the absence is considered unexcused. Parent/guardian notes must be handwritten and signed by a parent/guardian. E-mailed notes will *not* be accepted. All notes are to be turned into the main office upon arrival.

SCHOOL HOURS of OPERATION

Students should not arrive at school prior to 7:30 a.m. and once arriving to school, either by bus or private vehicle, students are to enter the building without delay. School is dismissed at 3:15. *Students should leave campus by 3:45 p.m.* unless under direct supervision by school staff. At 3:45 students are to leave school grounds.

SKIPPING CLASS/SCHOOL

A student is considered *skipping class* when he/she is not in the classroom to which he/she has been assigned by a teacher, staff member, or administrator. A student is considered *skipping school* when he/she has left campus or never reported to campus. The following list will outline the penalties assessed against students who skip class/school:

2 nd Offense	2 days ISS	2 nd Offense	3 days ISS

SOLICITING OR COLLECTING MONEY AT SCHOOL

Any effort to solicit or collect money at Gallatin High School must have prior approval of the principal. An announcement will be made over the public-address system to inform teachers and students of this approval. To protect students from unnecessary collections or “rip offs”, only major emergencies will be considered for the approval by the principal.

STEALING

Anyone caught stealing will receive either in-school (ISS) or out-of-school suspension (OSS), and the offender may be turned over to Juvenile Court. Students must help us prevent stealing by **not leaving personal items unattended or bringing valuable items to school.**

STUDENT FEES

Student fees are payable at the beginning of each semester. Specialty class fees will not be refunded should a student withdraw or be removed from the class.

STUDENT ID'S

In a school setting, identification is of the utmost importance to school safety. Therefore, everyone; visitors, students and staff, will be required to wear a school issued ID card. **IDs are to be visible at all times during the school day.** A lanyard will be provided so that the ID can be worn around the neck. Any student found not wearing his/her school

issued ID is subject to punishment deemed appropriate by his/her teacher and/or administrator.

- *The Administration reserves the right to perform random ID checks at the beginning of each block throughout the school day. (Any student who is not in compliance is subject to disciplinary action.) Replacement ID's (\$3) or lanyard only (\$1) may be obtained in the Library*

ID #1	Warning

ID #3	30 minute detention

STUDENT RELATIONSHIPS

Our school adheres to a “HANDS OFF” policy between any students. When this policy is violated, administrative disciplinary action will be taken. The parents may be required to come to school for a conference concerning the problem.

SUMMER READING PROGRAM

Students in honors level English courses will be required to complete a summer reading assignment. Details on this program can be obtained from the school website at <http://ghs.sumnerschools.org>

Use or improper storage of the personal electronic device will result in confiscation of the device until such time as it may be released. A student in violation of this policy is subject to disciplinary action. Depending on the circumstances, the principal may refer a student possessing a toy weapon or facsimile, including a water gun, to the disciplinary hearing authority for disposition as determined by the committee.

The principal will notify the parents or legal guardian of any student found in violation of this policy. The use of weapons and dangerous instruments in school plays, school bands, or any other school activity is prohibited unless sanctioned in advance and in writing by the Director of Schools.
